To Whom It May Concern:

When our Ministry Service Center re-located here from Northern Virginia in June of 2006 we were introduced to Rob Paris and his insurance team which is now Cornerstone Ministry Risk Management. He has been our broker since that time. Today he handles all of our liability insurance, our physical damage insurance, our Directors and Officers insurance, our Workmen's Compensation insurance, and our Travel insurance for our travelers overseas.

Rob and his team have been responsive to our needs and have given the attention to detail that assures us we are properly covered for our expanding needs in a growing ministry. His over-all expertise in ministry insurance and associated risk management has been invaluable. Rob and his team always take time to compare insurance coverage, explain necessary changes (if any), and make recommendations where he feels necessary without over-insuring our needs.

I have also had the privilege of serving with Rob on our local Christian Leadership Alliance (CLA) board. He is well networked in our community and is also visible as a solid member of other ministries in the area. I strongly recommend Rob and his team for any Christian organization considering someone to assist with the very complex world of insurance. My husband was in the insurance industry for over 33 years before his retirement. He also recognizes and values Rob's proficiency in this field.

Please feel free to contact me for any further discussions.
