

Mountain Springs Church

experiencing the adventure of an authentic relationship with Jesus Christ

May 2011

To Whom It May Concern:

I have had the privilege of working with Rob Paris and the Ministry Risk Management team for a number of years, both in my role here at Mountain Springs Church and with other ministries that I have been associated with. The team at Ministry Risk Management have continually met and exceeded my expectations in meeting our risk and insurance needs. They are responsive, comprehensive, and detailed minded in the way they serve.

The Ministry Risk Management team has consistently demonstrated their expertise in dealing with the insurance needs of faith-based organizations. They completely understand the unique challenges that we face. Their competitive premiums also communicate that they understand the financial stewardship aspect of my responsibilities of my role.

Without hesitation, I strongly recommend Rob and the entire Ministry Risk Management team. Their partnership with Mountain Springs Church over the years in providing for the insurance coverage aspect of our ministry has been very positive and greatly appreciated.

Sincerely,

Jay Smidt
